The solution of this question may best be left to the Municipalities and other local bodies and such institutions as the Salvation Army & prisoners aid societies are started and ask for Govt. help, some grants in aid or concessions may be shown. It may not be possible for Govt. to undertake this work. The non official public must evince interest in this matter and organise prisoners aid societies as has been done in Madras & other parts of Govt. India.

REV. SEC. 1 MAY 1922

To

S. Hiriannaiya Esqr., M.A., B.L.,
Secretary to the Government of H. H. the Maharaja
of Mysore, General Department, Bangalo;

Sir,

With reference to your letter No.J.2059 (1)/Pris 15-20 dated 13th October 1921 and subsequent reminder thereon No.J.-4787/Pris dated the 18th instant, requesting my opinion on the subject of starting " Discharged Prisoners Aid Societies" in the State, I have the honor to state that in the interest of the prisoners released from the Jails, the formation of such - societies seems desirable. At present, a released convict is thrown entirely on his own resources and owing to the stigma attached to his name, he finds it difficult to earn an honest livelihood. He is shun by the society and his movements are watched with suspicion with the result that he invariably falls an easy prey to crimes.

2. A society of this nature will be greatly helpful to the released prisoners in securing for them any suitable occupation by appealing to employers etc., and in providing them with funds to start business. Funds will be required to provide the released prisoners with the necessaries of life during the period they are unemployed. The Social Service League may be asked to give their opinion in the matter as it is purely a social work and the - public of Mysore should rise to the occasion and render some help to people who had been misled and had been punished by law and to reclaim them as useful citizens.

3. But the class of prisoners admitted into our Jails and the Society, as it now stands in our country, greatly differ from what is obtainable in the most civilized and advanced Western Countries such as Great Britain and America. Therefore it is necessary to start such societies with Government initiation for some time to come.

4. I propose therefore that "Discharged Prisoners Aid - Societies", one in Bangalore and the other in Mysore may be started composed of the present non-official visitors in the respective Jails and the leading citizens with Magistrate of the District as its President as an experimental measure.

I have the honor to be,

Sir,

S i r,

With reference to correspondence ending with your office letter No.J.5789 dated 23rd June 1922 regarding "Discharged Prisoners' Aid Societies", I have the honor to state that I have read the report of the Jails Committee and the Hindu of 10th August 1921.

2. The Jails Committee lay stress on the Societies started for the aid of released prisoners being in the main non-official in character with a large measure of official countenance and support. The Hindu states that a public meeting was held on the 15th February 1921 under the Presidency of Lord Wellingdon and the Madras Presidency Discharged Prisoners' Aid Society was brought into existence. If in Mysore also a similar society were started under the Presidency of the head of the Administration or any member of the Royal family, during the Dasara session of the Representative Assembly of 1922, the Bangalore Municipal Council will, I trust, be glad to contribute its quota to the funds of such a Society and thus supplement the Government grant. The City Municipality may also be willing to assist the Society in other respects as far as possible, when their requirements are formulated.

3. The work under contemplation is somewhat novel in India,

Where the short-term prisoners are usually anxious to get back to their villages and to their own communities and the long-term hardened criminals are not generally amenable to ~~xxxxx~~ sober advice and gradual reclamation. However, an earnest attempt may be made. Philanthropic bodies like the Salvation Army, the Ramakrishna Mission and the Arya Samaja may be willing to undertake the work of visiting the prisoners in Jail at regular intervals and of ascertaining their capacity for work and inclinations.

4. As a concrete proposal, I would suggest a preliminary meeting being held at Mysore during the next Dasara Session for discussing the subject, composed of the following gentlemen; the Dewan and Councillors, the Secretaries to Government, the Inspector General of Prisons, the Inspector General of Police, the Deputy Commissioners of Districts, the Presidents of the Mysore and Bangalore City Municipalities and about a dozen leading members of the Representative Assembly belonging to all the eight Districts. The representatives of the Salvation Army and the various chief Indian and Christian Missionaries may also be invited. This preliminary meeting, after deciding the main lines of work and the cost to be incurred, may convene a public meeting at the Rangacharlu ~~Memorial~~ Memorial Hall and a Prisoners' Aid Society may be formed composed mostly of non-official gentlemen likely to devote their time for this work and a few of the leading officers of the State.

5. I need hardly add that I fully sympathise with the movement and shall be glad to give it my hearty cooperation in any direction in which it may be required.

I have the honor to be,

Sir,

Sir,

With reference to your letter No.P.5835/Police dated 20th instant, I have the honor to state that the Association has formed a Sub-Committee to deal with the question of aid to released prisoners. The Committee met twice and has resolved to start a society at an early date enrolling as members the Magistrates, the Police Officers and non-official capitalists. Arrangements are being made to call for a public meeting of the citizens in order to make an appeal for funds.

The progress has been slow owing to feeble response and when the scheme materialises, a report will be submitted.
